AFFIRM YOUR COMMITMENT TO

JOBSITE SAFETY

IT'S BEEN SAID the best way to lead is to lead by example. That is especially true when it comes to jobsite safety in the construction industry.

Show yourself to be a true leader and affirm your commitment to jobsite safety by securing your standing as a Construction Safety Specialist through the Construction Safety Network. Construction Safety Specialists are automatically eligible to write the CCA's Gold Seal Construction Safety Coordinator (CSC) exam. Go to **www.goldsealcertification.com** for more information.

You'll be better prepared to manage your jobsite in a safe and successful manner.

THE CONSTRUCTION SAFETY NETWORK...

is a not-for-profit society that helps members of the BC Road Builders and Heavy Construction Association, Independent Contractors and Businesses Association of BC, Canadian Home Builders' Association of BC, BC Ready-Mixed Concrete Association, Aggregate Producers Association of BC, and BC's construction companies reduce the number and severity of work place injuries and diseases.
